

Written Expression (Spence): Plan for SoSe 2020

Version 1a — current as at 03.04.2020

WHICH GROUP IS DOING WHICH UNIT, WHEN?

Initially, we will be working online, and asynchronously, so the dates for the first few weeks are only a rough guideline—a suggestion for how to organize your learning.

The deadlines for submitting work are also (slightly) flexible.

If and when face-to-face teaching is resumed, you may find it helpful to know which group is doing what, when—for example, if you have to miss a class due to another obligation, you may perhaps be able to catch up by attending in another group, in accordance with the table below. It is unlikely that a separate ERASMUS group for translation students enrolled at the LangSciTech Department will eventuate, but its Thursday timeslot may prove useful to students from the English Department from time to time.
