Goals

The goals of today's session are:

1. To make sure this is the right course for you (NB six parallel groups in Anglistik (two by me) plus one Erasmus group: all three of my groups are interchangeable)
2. To find out how many people are taking the course (PLEASE REGISTER ON LSF AND MOODLE)
3. To exchange contact details (do you prefer me to use your uni email address or a different one?)
4. To get an overview of how the course will work
5. To find out what kinds of writing you have done in English so far and what kinds of writing you will be doing in future (Worksheet: Initial Questions–send me your answers!)
6. To get an initial overview of what the course will cover (KEY CONCEPTS!), and what we will be doing each week
7. To give you access to the reading material
8. To set the homework for next week, which is:
to read chapter one of the reading material, and
to answer the questions on Worksheet 1
